

The Council of the Internal Grant Agency of the Faculty of Forestry and Wood Technology Mendel University in Brno, Czech Republic

Invites you

SilvaNet – WoodNet Conference

1st circular

Conference is organised under the patronage of the dean of the Faculty of Forestry and Wood Technology Mendel University in Brno Dr. Petr Horáček in collaboration with Information platform for cultural landscape (CZ.1.07/2.4.00/12.0011).

The conference takes place on 25 November 2011.

Conference is intended for the students of postgraduate and undergraduate courses in field of forestry and related sciences. The working languages are Czech, Slovak and English.

The aim of the Conference is to enable the students to present the results of their diploma and dissertation theses, to consult and discuss their research with colleagues and to exchange ideas for new upcoming projects.
